payment of the issue fee.

## EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or
additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR
1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the

The application has been amended as follows: cancel non-elected claims 1-4.

## Allowable Subject Matter

- Claims 11-23 are allowed over the prior art of record.
- The following is an examiner's statement of reasons for allowance:

Glover et al (4,744,741) disclose a molding apparatus, comprising middle cores rotatable between the front part and a back part, wherein the cores having a first and second profile on a front and back side, wherein during the first molding step, both parts are in contact with the first profile on the front side of the cores; and during the second molding step, the cores rotate 180° and both parts are now in contact with the second profile on the back side of the cores.

However, Glover fails to disclose middle parts that have a first side contact to both the front and back part.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance"
